Subject: OR CZARA

Chris - Jayne just called and left a message about the OR CZARA case that I think would be best for you to follow up on as our OGC liaison. In short, Jayne indicated that they are trying to figure out whether or not a 4b could satisfy the terms of the settlement agreement. Given that our branch was not involved in drafting the settlement agreement, I'm thinking the first step would be to figure out who handled the case in OGC and then identify next steps for answering Jayne's question. I'm happy to sit in and answer any specific 4b questions as needed.

Jayne - perhaps you could let us know who handled the case for Region 10 (Adriane?) and who their OGC contact was. Also, have you posed this question to your ORC and if so, what was their response?
